Re: Recommendation for Monique Hodison-Stokes

Dear Hiring Manager,

This letter is to serve as my formal recommendation for Monique Hodison-Stokes. While working at Camelot, I've had the opportunity to work with Monique since January 2015. It is with confidence that I recommend her to be a part of your growing organization. She consistently demonstrates exceptional supervisory and leadership skills, enthusiasm, excellent communication skills and a professional demeanor.

Monique is reliable, dedicated, and eternally upbeat. Her ability to calm her families, employees and DCS is unparalleled. Monique is multitasked and can handle a high volume workload.

As a team player, you will find her enthusiastic embrace of change, ability to work with minimal supervision and unwavering commitment to exceeding client expectations. She has my highest recommendation and I am happy to furnish more details if you would like additional information. You will not regret adding her to your team.

Sincerely,

Clenetta Perry
